One Way Street (From "Rocky IV")

Go West

[Incomprehensible] would never change your mind
I'm sure you don't know but to me you seem so unkind
I don't [Incomprehensible] sympathy
I just want a chance to get you closer to meI feel I'm on a, one way street
Moving in the wrong direction
It's a, one way street
Someone on my line, never gotta a bad connectionOne way street
Moving in the wrong direction
It's a, one way street
Someone on my line, never gotta a bad connectionSurrender by voices, I don't want to hear
I tell myself that must be insincere
I never told you lies
He was the one who put the tears in you eyesI feel I'm on a, one way street
Moving in the wrong direction
It's a, one way street
Someone on my line, never gotta a bad connectionOne way street
Moving in the wrong direction
It's a, one way street
Someone on my line, never gotta a bad connectionSpend your whole life waiting for a sign
You make your move too late and love gets left behind
Truth is never, you don't want to see
I may falling, take advantage of me, take it from meI don't care who is right or who is wrong
One day our loneliness is a day too long
You only may wanna stay
Second time 'round our heart is harder to brake, harder to breakOne way street
Moving in the wrong direction
It's a, one way street
Someone on my line, never gotta a bad connectionOne way street
Moving in the wrong direction
It's a, one way street
Someone on my line, never gotta a bad connectionOne way street
Moving in the wrong direction
It's a, one way street
Someone on my line, never gotta a bad connection
