

Don't Wanna Fight

Eva

Your life, my life
Don't cross them lines
What you like, what I like
Why can't we both be right?
Attacking, defending
Until there's nothing left worth winning
Your pride and my pride
Don't waste my time
I don't wanna fight no more
I don't wanna fight no more
I don't wanna fight no more
I don't wanna fight no more
I don't wanna fight no more
I don't wanna fight no more
Take from my hand
Put in your hands
The fruit of all my grief
Lying down ain't easy
When everyone is pleasing
I can't get no relief
Living ain't no fun
The constant dedication
Keeping the water and power on
There ain't no money left
Why can't I catch my breath?
I'm gonna work myself to death
I don't wanna fight no more
I don't wanna fight no more
I don't wanna fight no more
I don't wanna fight no more
I don't wanna fight no more
I don't wanna fight no more
I don't wanna fight no more
I don't wanna fight no more, I don't wanna fight no more
I don't wanna fight no more
I don't wanna fight no more
I don't wanna fight no more
I don't wanna fight no more
I don't wanna fight no more

No more
