

Home And Dry

Gerry Rafferty

This silver bird takes me 'cross the sky
Just one more hour and I'll be home and dry
 'Cross the ocean
Way above the clouds I come stealin' Feelin' tired, but I feel good
 Cause I did everything I said I would
 I think of you
And I know how you'll be feelin' I gotta see you
 I gotta be with you
We'll make it better now in every way
 It's gotta be you
 It's gotta be you
Yes, from now on I'll tell you everyday Way up here above this timeless sea
 I realize just what it is you mean to me
You give me somethin' when I thought that everything we had was dyin' I need a reason just to make me carry
 on
Well I know better now
 I know where I belong
I can't imagine how I ever let myself just give up tryin' I gotta see you
 I gotta be with you
We'll make it better now in every way
 It's gotta be you
 It's gotta be you
Yes from now on I'll tell you everyday Ooooooh, yes home and dry Ain't nothin' up here gonna slow me down
 You know I never had to take the long way 'round
 I think of you
'Cause I know how you'll be feelin' This silver bird takes me 'cross the sky
 Just one more hour and I'll be home and dry
 'Cross the ocean
Way above the clouds I come stealin' I gotta see you
 I gotta be with you
We'll make it better now in every way
 It's gotta be you
 It's gotta be you
Yes, from now on I'll tell you everyday Ooooooh, yes home and dry
