

# In Another's Eyes

Trisha Yearwood

In another's eyes I'm someone who  
Loves her enough to walk away from you  
I'd never cheat I'd never lie  
In another's eyes yeah  
In another's eyes I can do no wrong  
He believes in me and his faith is strong  
I'd never fall or even compromise  
In another's eyes mmmmIn another's eyes  
I'm afraid that I can't see  
This picture perfect portrait  
That they paint of me  
They don't realize and I pray they never do  
'Cause every time I look I'm seeing you  
In another's eyesOh in another's eyes  
Staring back at me  
I see a sinking soul, trying desperatelyTo turn the tide, before it dies  
In another's eyes, yeahAnd what they don't see  
Lord is killing me  
It's a blessing and curse that love is blindSo in another's eyes  
I'm afraid that I can't see  
This picture perfect portrait  
That they paint of me  
They don't realize and I pray to God they never do  
'Cause every time I look I'm seeing you  
In another's eyes
