Wanna Hear Your Voice

Taps

Would you know my name if I wrote you a letter?
Would you recognize my face if I send you a picture?
All the memories of me locked away inside your mind
When you think of me, do you ever shed a tear[Chorus]
Why'd you leave me
Why'd you leave me
Sometimes
Sometimes, I just wanna hear your voice
Why'd you leave me
Why'd you leave
Sometimes, I just wanna hear your voiceIf you had three words to say, would they say please forgive me
Since you walked away my days and nights grow so lonely
If you stay with me, there's no doubt I'll be alright
I needed you back then and I still need you tonight[Chorus]My faith told me, all wounds are healed by time
But every day, I know it's a lie
Cause I'm still hurting
I'm still bleedingWhy'd you leave me
Cause sometimes
I just wanna hear you're voice[Chorus]Why'd you leave me
Why'd you leave
Sometimes
Oh, I just wanna hear you're voice
Sometimes
Sometimes, I just wanna hear your voice
