Time Is A Healer

Eva Cassidy

I found a picture of your smiling face
Bringing old memories
That I had locked away
The burden of anger
From a heart filled with pain
Was finally lifted
And I smiled at you againOh if time is a healer
And all hearts that break
Then all hearts that break
Are put back together again
'Cause love heals the wound it makesI spoke such harsh words before our goodbye
Well I wanted to hurt you
For the tears you made you made me cry
All my hopes and dreams
Well they started vanishing
Those tender hurt feelings
Became a dangerous thingOh if time is a healer
If time is a healer
And all hearts that break
Then all hearts that break
Are put back together again
'Cause love heals the wound it makes (makes)All of those years we spent together (spent together)
Well they're part of my life forever
I hold the joy with the pain
And the truth is
I miss you my friendWell time is a healer
And all hearts that break
All hearts all hearts that break
Are put back together again
'Cause love heals the wound it makes
