

# Viva Forever

## Various Artists

Do you still remember, how we used to be  
Feeling together, believe in whatever  
My love has said to me  
Both of us were dreamers  
Young love in the sun  
Felt like my Saviour, my spirit I gave you  
We'd only just begunHasta Maana, Always be mineViva forever, I'll be waiting  
Everlasting, like the sun  
Live Forever, for the moment  
Ever searching for the oneYes I still remember, every whispered word  
The touch of your skin, giving life from within  
Like a love song that I'd heard  
Slipping through our fingers, like the sands of time  
Promises made, every memory saved  
Has reflections in my mindHasta Maana, Always be mineViva forever, I'll be waiting  
Everlasting, like the sun  
Live Forever, for the moment  
Ever searching for the oneBack where i belong now, was it just a dream  
Feelings unfold, they will never be sold  
And the secret's safe with meHasta Maana, Always be mine(Repeats 3x)
