

You Really Got Me Now

Jon Bon Jovi

Well, you been dancin' with your shadow
You been talkin' in your sleep
And you can walk on water
But don't wanna wet your feet You really got me
You really got me now
You know I don't know how you do it
But you really put me through it
Yeah, you got me You say you'll talk to anyone
Who's anyone in town
But they don't recognize you
With your foot out of your mouth You really got me
You really got me now
You know I don't know how you do it
But you really put me through it
Yeah, you got me You brought a knife out to a gunfight
And you're shouting that I'm dead
My old friends Smith and Wesson
Think you're in over your head You really got me
(You really got me)
You really got me now
You know I don't know how you do it
But you really put me through it
Yeah, you got me now You really got me
(You bet your britches, baby)
You really got me now
