I Wonder

Leeland

At the stars in the night, I wonder
At Your lightning in the sky, I shudder
Your glory is a blanket that covers
Every living thingI'm in awe at the majesty of who You are
Your love is a seal burnt inside my heart
All of the day I want to be where You are
Holy FatherAnd it feels like there's not enough praise inside of me
With all these words, all my heart can sing is holy
You are holyJesus Christ
You bled Your love, laid down Yourself
And gave me life
In naked shame You hung and You were lifted high
Here I lay in awe and wonderI am afraid
For no one's ever sacrificed and loved me this way
So on my face I fall under Your heavy grace
Here I lay in awe and wonder
ooh ooh And I wonderI'm in awe at the majesty of who You are
Your love is a seal burnt inside my heart
All of the day I want to be where You are
Holy FatherAnd it feels like there's not enough praise inside of me
With all these words, all my heart can sing is holy
You are holyJesus Christ
You bled Your love, laid down Yourself
And gave me life
In naked shame You hung and You were lifted high
Here I lay in awe and wonderI am afraid
For no one's ever sacrificed and loved me this way
So on my face I fall under Your heavy grace
Here I lay in awe and wonder
ooh ooh And I wonder
ooh ooh And I wonderJesus Christ
You bled Your love, laid down Yourself
And gave me life
In naked shame You hung and You were lifted high
Here I lay in awe and wonderI am afraid
For no one's ever sacrificed and loved me this way
So on my face I fall under Your heavy grace
Here I lay in awe and wonder
ooh ooh And I wonder

ooh ooh And I wonder
