

When I Worship

Joe Pace

Verse I

When I worship
When I lift up my hands
I acknowledge
I am yours to command
I surrender
Everything that I am
When I worship
When I worship

Verse II

When I worship
When I bow at your feet
Revelation
of your glory I seek
Not my way Lord
but your will I seek
When I worship
When I worship

Chorus

It's not for the things that You do
Not the trials You brought me through
Not because You're so faithful and true
But when I worship
It's just because I love You
Yes I do, Yes I do
Yes I do, yes I do
