Come On

Brendan Benson

Yeah, yeahhh!
I wanna hear you say
I wanna hear you say just once.
Girl, I don't have all day, yeah.
I need to hear you say it just once.
Come on, surprise me.
Show me something that might get a rise from me.
Come on, come on, come on.
Come on, come on, come on.
Well, you can beat me to it.
You can beat me to the punch.
Girl, I know you can do it.
Yeah, I know I got a hunch.
Come on, surprise me.
Show me something that might get a rise from me.
Come on, come on, come on.
Come on, come on, come on.
Well, you were never the one who excited me.
You were never the kind who ignited me.
Come on, come on, come on.
Well, I know you can take it
cuz I think you think it's fun.
And there's no way to fake it.
You gotta do it 'till it's done.
Come on, come on, come on.
Come on, come on, come on.
Come on, come on, come on.
Come on, come on, come on.
