

# Holding All These Lies

## Korn

Do you really want to see?  
I don't think I can take this anymore  
Do you wanna even I am nothing  
I'm disgusting and so much more  
Holding all the lies I told you  
Feeling like somehow I spoiled you  
Dying is a trial I've been to  
This is the time for truth and pain  
Do you really want to see the  
Torment hatred of this world  
Hand in a book and I believed it  
All it brought me was pain and more  
Holding all the lies I told you  
Feeling like somehow I spoiled you  
Dying is a trial I've been to  
This is the time for truth and pain  
Holding all the lies I told you  
Feeling like somehow I spoiled you  
Dying is a trial I've I been to  
This is the time for truth and pain  
I believe, I believe

Holding all these lies I told you  
Holding all the lies I told you  
Holding all these lies I told you  
Holding all these lies I told you  
Lies I told you....  
Holding all the lies I told you  
Feeling like somehow I spoiled you  
Dying is a trial I've been to  
This is the time for truth and pain  
Truth is pain  
Truth is pain  
Truth is pain  
Truth is pain  
Truth is pain  
I believe  
I never meant to hurt you  
I believe

I never meant to bitch at you

I believe

I never meant to hurt you

I believe

I never meant to hurt you
