

Sonic Reducer

Overkill

I don't need anyone
Don't need no mom and dad
Don't need no good advice
Don't need no human race But I got some news for you
I don't even needja too
I've got my time machine
Got my electronic dream Sonic reducer
Ain't no loser
Got the sonic reducer
Ain't no loser, n-n-no [Incomprehensible] pull out on the street
They don't know who I am
I watch them from my room
They're all just passin' by But I'm not just anyone
Yeah, I'm not just anyone
I've got my time machine
Got my electronic dream Sonic reducer
Ain't no loser
Got the sonic reducer
Ain't no loser, no, no, no I'll be a pharaoh soon
We'll form some kinda tomb
Things will be different then
The sun will rise again And I'll be two feet tall
And I'll be does it all
I've got my time machine
Got my electronic dream Sonic reducer
Ain't no loser
Got the sonic reducer
Ain't no loser Got the sonic reducer, sonic reducer
Got my sonic reducer, sonic reducer Reducer
