

Tearing Us Apart

[Eric Clapton](#)

You know the sun is shining, it's raining in my heart
I don't know what to do since we've been apart
Why don't you tell me, babe, what is going on?
You know I love you darling, don't wanna be alone
They're tearing us apart
They're breaking up my heart
I knew it from the start
Your friends are tearing us apart
You know I can't go on feeling this old way
You know my heart is burning, it's burning everyday
You know I love you, baby, no one else will do
Why don't you reconsider, what I want you to
They're tearing us apart
They're breaking up my heart
I knew it from the start
Your friends are tearing us apart
They're tearing us apart
They're breaking up my heart
I knew it from the start
Your friends are tearing us apart
Your friends are tearing us apart
Tearing us apart, tearing us apart
