Ethereal 77

Used me a partner in crime
Now you say you ain't got the time
 Gotta get serious, gotta plan
 Gotta pass those entrance exams
 Oh my God, it's senior year
All you care about is your career

You're squelching your emotions
 All you talk about is old times
 You don't do what you want to
 But you do the same thing everyday
No sense of humor, but such good manners
 Now you're an adult, you're boring

 Aaa aaa aaa aaa
 Are the walls closing in?
 You stay aye aye aye ayed
 (Aye aye aye aye)
 Too long in school
 I'd rather, stay a child
 And keep, my self-respect
 If being, an adult
 Means being like you
 Aaa, aaa, aaa, aaa, aaa
 Aaa, aaa, aaa, aaa, aaa
 You, you, you
 (You, you, you)
 (You, you, you)
 (You, you, you)
 Are you really you?
 No
You're a chained up dog fenced in a yard
 Don't see much you can't go far

Pace and froth you're getting sick
Run too fast and I'll snap your neck
Say you'll break out, you never do
You're just another ant in the hill
