I'm Not Lisa

Jessi Colter

I'm not Lisa, my name is Julie
Lisa left you years ago
My eyes are not blue, but mine won't leave you
Till the sunlight has touched your faceShe was your morning light
Her smile told of no night
Your love for her grew
With each rising sunAnd then one winter day, his hand led her away
She left you here drowning in your tears
Here, where you've stayed for years
Crying, Lisa, LisaI'm not Lisa, my name is Julie
Lisa left you years ago
My eyes are not blue, but mine won't leave you
Till the sunlight has touched your face, I'm not Lisa
