Back Then

One Man Army

You Used To Be A Lot Of Things
But What Are You Doing Now
Do You Still Rely On Days Gone By
The Past Is Said And Done
We've Heard The Same Old Story
Time And Time Again
Built On Your Reputation
Of Being A Punk Back ThenBack Then
You Used To Be A Punk Back ThenIs It The Praise That They Would Sing
Or Is There More To Be Made For
The Glory Or The Fame Or For The Friends That You Made
Hanging Around For The Last Of It All
A Dead Man Is Bound To Float
You Used To Be A Lot Of Things Time And Time Again
Back Then.
