

Do It in a Heartbeat

Carlene Carter

If there was something I could do
 To capture you
 I'd do it in a heartbeat
 Some little trick that I could try
 To catch your eye
 I'd do it in a heartbeat
If I had to jump through a hoop of fire
 Even that would be as easy as pie
 If to fly like a Superman
 Would win your hand
I'd do it in a heartbeat You got a tedious task,
 All you gotta do is ask
 I wouldn't need a second bidding
 If I was printed in the press
As saying "yes" I would not be kidding
 If the only thing to keep you from me
 Was a slam bam thing with Ali
 I'd get pushed around and knocked
 Down fifteen rounds
But I'd do it in a heartbeat If looks could kill
 You surely will
 Do a hundred and three
 If you'd just look at me
 And if they locked you up
 All the girlies in town
 Would be tryin' to tear that
 Jailhouse down
But I'd do it in a heartbeat If you thought I was cute
 In a parachute
 I'd freefall forty thousand
 And if you thought I'd be nice
 Hangin' on ice
 I'd climb the highest mountain
If I had to jump through a hoop of fire
 Even that would be as easy as pie
 If to fly like Superman
 Would win your hand
 I'd do it in a heartbeat
 Do it in a heartbeat

Do it in a heartbeat

Do it in a heartbeat
