

# Fox on the Run

**Manfred Mann**

She walked through the corn leading down to the river  
Her hair shone like gold in the hot morning sun  
She took all the love that a poor boy could give her  
And left me to die like the fox on the run  
Like the fox (like the fox, like the fox) on the run  
Everybody knows the  
reason for the fall  
When woman tempted man down in paradise's hall  
This woman tempted me all right, then took me for a ride  
But like the lonely fox I need a place to hide  
Like the fox (like the fox, like the fox) on the run  
Come take a glass  
of wine and fortify your soul  
We'll talk about the world and friends we used to know  
I'll illustrate, a girl put me on the floor  
The game is nearly up, the hounds are at my door  
Like the fox (like the fox, like the fox) on the run
