Just me and my dawg, it's a fo' fo'
Then I get a call like, "what up, bro?" (What up?)
He found out where he live, got the whole dough (Word?)

I'm gettin' money, you should do the same Nigga, you talkin' like you just moved a couple bricks
Yeah, them Brooklyn niggas do be 'bout that bullshit
I got a couple shooters ridin' with a couple straps
Ten shots a piece, we don't need more than that
Since a shorty I had drama with all kind of niggas
Squashed the beef, then doubled back so I could line a nigga
He just moved to that spot, how they find that?
Get the drop, let it pop, niggas, time that Bang, bang, BSB the gang
Bang, bang, BSB the gang
Bang, bang, BSB the gang
I'm gettin' money, you should do the same Bang, bang, BSB the gang
Bang, bang, BSB the gang

I'm gettin' money, you should do the same
People say I sound like Fif, okay dummy
I guess I sound like I'm just gettin' money
Let me check, yup, money I got
I made it off the block to a Bentley drop
Went from sellin' powder, now I got the power
100k a hour, my paper stack like a tower
Stripper bitch, she shake it, she shake it, I make it shower
The fucks you wanna fly, we shoot the shit out a coward
Come on
Bang, bang, BSB the gang
Bang, bang, BSB the gang
Bang, bang, BSB the gang
I'm gettin' money, you should do the same
Bang, bang, BSB the gang
Bang, bang, BSB the gang
I'm gettin' money, you should do the same
