

# Michael and Heather At the Baggage Claim

## Fountains Of Wayne

Michael and Heather at the baggage claim  
Tired of playing the waiting game  
Every bag has got a different name  
Michael and Heather may never get home again  
Michael and Heather at the lost and found  
Looking for luggage that's soft and brown  
Sir, I'm so sorry, it's just not around  
Michael and Heather are glad to be on the ground  
It's been a long, long day  
Can't we just be on our way?  
It's been a long, long day  
Can't we just be on our way?  
Michael and Heather on the shuttle bus  
Standing alongside the rest of us  
Michael says,  
Heather, have you had enough?  
Heather says, Michael, you know that it's you I love
