Do It! (Live)

Death from Above 1979

Oh. I wish you well
And I hope someday your life turns out just like you planned.
Oh. Well I hope you can
Find it in you to forget all the things I've said.
Yeah. And I know you will
Cause you're my friend and that's the nicest thing I've said: all day
I hope to god. I hope to god that someday you will understandI don't think that you understand
The things we say are not always the things we feel
You need to think before you mistakes
Something may end up to link the reasons
Why we do the things we had to to
To the day where we were:
Prove me wrong and do what you doI don't think that you understand
The things we say are not always the things we feel
You need to think before you mistakes
Something may end up to link the reasons
Why we do the things we had to to
To the day where we were:
Prove me wrong and do what you doOh. Well I hope you can
Find it in you to forget all the things I've said.
Yeah. And I know you can
Find it in you to forget all the things I've said.
