Night And Rain

Axel Rudi Pell

On my way and rain was falling down
There were faces in the mirror
Too blind to see they were crying out for me
From the distance (it) gave me shiversOh will there be a tomorrow?
I'm losing my mind, full of sorrowNight and rain
They were calling you
Night and rain
Breaking the spell
Night and rain
Hear they're calling you
Night and rain
Lucifer's opening HellWe are the innocent
Hunted by the mystic force
The dragonlords are rising from the darknessTouching your skin
This game we will never win
The unbroken will turned to sadenessOh will there be a tomorrow?
I'm losing my mind, full of sorrowNight and rain
They were calling you
Night and rain
Breaking the spell
Night and rain
Hear they're calling you
Night and rain
Lucifer's opening HellWill there be a tomorrow?
I'm losing my mind, full of sorrowNight and rain
They were calling (you)
Night and rain
Breaking the spell
Night and rain
Hear they're calling (you)
Night and rain
I feel the
Night and rain
Calling you, calling you (there)
Night and rain
Night and rain
Night and rain
I feel the

Night and rain
