

# You've Been Flirting Again

[Björk](#)

You are all I ever want to  
You are all I ever want to All that she said was true  
All that she said was true  
Give her some time  
Give her some space  
All that she said was true All that she ever meant was good  
All that she meant was good  
Give her some time  
Give her some space  
All that she meant was good How you reacted was right  
How you reacted was right  
Give her some space  
Give her some time  
All that she said was true You are all I ever want to  
You are all I ever want to  
You are all I ever want to
