Without You

3t

Verse
Looking outside my window wondering what you're doing
Girl I'm thinkin' about you baby (I'm thinkin' about you baby)

Losing my strength as the days go by,
I'm trynna be strong but it hurts in side
I'm crazy about you baby (I'm crazy about you baby)
I don't know what else I could say (What I could say)
All I know is that I can't make it this way

Chorus

Living my life without you girl
There's an emptiness inside my world
And I don't know why
I have to live my life without you
I don't want to carry on this way,
I don't feel that I'm that strong.
I don't want to live life without you

Verse
You are the one I need,
you're all that I want you're my everything
(I can't live without you baby)
no I can't live without you baby
God knows how hard I've tried
(But I just can't say goodbye)
Oh I'm missing your love oh baby
(scared of missing your love oh baby)
I don't know just what I should do
(what I should do...)
All I know is that I can't live without you

Chorus
Living my life without you girl
(without you baby...)
There's an emptiness inside my world
(there's an emptiness inside my world)
And I don't know why I
(Don't know why...)

have to live my life without you(girl)
I don't want to carry on this way,
I don't feel that I'm that strong.
I don't want to live life without you...

Hook
You're the one that gives me strength without you
I feel weak
And by your side is where I belong,
I need you here with me
(And everyday I think about you)
even though you're far away and
no matter what I promise
I will love you till the end of our lives

Chorus
Living my life without you girl
(Without you girl..)
There's an emptiness inside my world
(There's an emptiness inside my world...)
And I don't know why I (Don't know why...)
have to live my life without you
(Girl...) I don't want to carry on this way
(Carry on this way...),
I don't feel that I'm that strong
(Don't want to this strong)
I don't want to live life without you...

There's an emptiness inside my world,
without you...
(I don't want to carry on this way,
I don't feel like I'm that strong)
I don't want to live life without you
