

I Am Nothing

Paradise Lost

Aware of some
Aware of nothing more
I have no faith
I cannot settle scores
You hope some day
I'll move out of the dark
Your wishes fail
'Cause I am nothing Slave to it all
Once again I fear
Slave to it all
Are the ones most dear Thrilling you all
With my tales not real
You believe in them
Time after time
On hopeless days
I sit and justify
A wholesome life
Of which I'm so deprived
I hope and pray
That I won't stay around
Too long to stain
'Cause I am nothing Slave to it all
Once again I fear
Slave to it all
Are the ones most dear
