

Cruise Control

Kalaeloa

oh ya, oh ya
i'm riding on cruise control with my baby
headed for the country
oh ya, I turn on my radio to hear the sound of,
sweat Hawaiian music you know that sweat
Hawaiian music

it doesn't matter what kind of car you drive
or clothes you wear, the spirit of aloha
is everywhere,
whether your at work
or at the beach there's no better place then Hawaii

oh ya
i'm riding on cruise control with my baby
headed for the country
oh ya, I turn on my radio to hear the sound of,
sweat Hawaiian music you know that sweat
Hawaiian music ya

driving by the ocean side
u see the trees swaying side to side
the sun beams down into my eyes
the Ronald clouds here inside

oh ya
i'm riding on cruise control with my baby
headed for the country, headed for the country
I turn on my radio to hear the sound of,
sweat island music you know that sweat
island music

it doesn't matter what kind of car you drive
or clothes you wear, the spirit of aloha
is everywhere,
whether your at work
or at the beach there's no better place then Hawaii

oh ya
i'm riding on cruise control with my baby

headed for the country, headed for the country
I turn on my radio to hear the sound of,
sweat Hawaiian music you know that sweat
Hawaiian music (x2)

i'm riding on cruise control...
