Inner Child

Gregg Alexander

Yeah
Yeah
YeahYou gave me touchin' and lovin'
And took me too the moon
You gave me feelin' and pleasure
Then left too soon
Oh baby, get ready
I'm comin' after you, oh yeah'Cause you make me feel
'Cause you make me feel wild
You touch my inner child
You got me in the mood
So come on, make your move
And free meYou make my wishes as much as
Your kisses make me blue
I am lost up in Heaven
Don't know what to do
Oh baby, get ready
I'm comin' into you, oh yeah'Cause you make me feel
'Cause you make me feel wild
You touch my inner child
You got me in the mood
So come on, make your move
And free meFrees me
Frees me
Whoah, whoah, whoah, whoah
Whoah, whoah, whoah, yeahIf you're in love
Come on let me hear you say, oh yeah
'Oh yeah!'
If you're in love
Let me only all hear you say, hell yeah'Hell yeah!'
Well, if you're in love
Come on Let me hear you say, whoah yeah
'Hell yeah!'
Free, ah, yeah'Cause you make me feel wild
You touch my inner child
You got me in the mood
So come on, make your moveAnd touch my inner child
You touch my inner child
You touch my inner child

Child, child, yeah, yeah, yeahIt's alright, it's alright, it's alright
It's alright, it's alright, it's alright
