

Inner Child

Gregg Alexander

Yeah

Yeah

Yeah You gave me touchin' and lovin'

And took me too the moon

You gave me feelin' and pleasure

Then left too soon

Oh baby, get ready

I'm comin' after you, oh yeah 'Cause you make me feel

'Cause you make me feel wild

You touch my inner child

You got me in the mood

So come on, make your move

And free me You make my wishes as much as

Your kisses make me blue

I am lost up in Heaven

Don't know what to do

Oh baby, get ready

I'm comin' into you, oh yeah 'Cause you make me feel

'Cause you make me feel wild

You touch my inner child

You got me in the mood

So come on, make your move

And free me Frees me

Frees me

Whoah, whoah, whoah, whoah

Whoah, whoah, whoah, yeah If you're in love

Come on let me hear you say, oh yeah

'Oh yeah!'

If you're in love

Let me only all hear you say, hell yeah 'Hell yeah!'

Well, if you're in love

Come on Let me hear you say, whoah yeah

'Hell yeah!'

Free, ah, yeah 'Cause you make me feel wild

You touch my inner child

You got me in the mood

So come on, make your move And touch my inner child

You touch my inner child

You touch my inner child

Child, child, yeah, yeah, yeah
It's alright, it's alright, it's alright
It's alright, it's alright, it's alright
