For Nobody

Gentle Giant

Running away, I'll leave you my address, don't want you to reply to anybody
Forward my mail to the next place. I'll be responsible for nobodyGiven my best to the people I knew. I'll always maintain my situation
And through it all, no one told me that I was doing it for nobodyTried to forget everything that we did
And thinking we did it all together
How it went wrong, can't remember
It doesn't matter much for nobodyNobody tells, everyone understands
It's anybody for nobody
Anyone for everybody
I'll be responsible for nobody
