

A Little Time

Halloween

Higher
It's what I expect from my life
It's like a wire
That holds me back down to the ground Oh, I hear you say
That is the way of the world
No, hear what I say
I wanna do so much in my way Higher
I've set my limits and bounds
There's a fire
It's burnin' so hot in my head Oh, I hear you say
That is the way of the world
No, hear what I say
I wanna do so much in my way We got
A little time, to build up your lives
A little time, to make up our minds
A little time, to fill up our dreams
A little time
Time A little time
A little time
A little time
Time, time, time A little time, to build up your lives
A little time, to make up our minds
A little time, to fill up our dreams
A little time
Time A little time, to build up your lives
A little time, to make up our minds
A little time, to fill up our dreams
A little time
Time A little time, to build up your lives
A little time, to make up our minds
A little time, to fill up our dreams
A little time
Time A little time, to build up your lives
A little time, to make up our minds
A little time, to fill up our dreams
A little time
Time
