Is That So Wrong

Julianne Hough

I've been thinking about, thinking about
Thinking about giving you a call
I've been holding it in, holding it in
Holding it in for so long
I've been running it through
Running it through in my mind
Well I don't care anymore
I just don't care anymore
Doesn't everybody
Just want to feel somebody?
Just wanna hold someone
To fill that empty space
When you're missing that rush
And a friend's not enough
I just can't deal
No, tonight I just don't wanna be alone
Tell me, is that so wrong?
Baby, close your lips, only a kiss
Only a kiss don't say a word
You can let it go, lose control
And I promise it won't hurt
I just wanna get lost
Wanna get lost in your arms
So throw on the floor
I just can't wait anymore

Doesn't everybody
Just want to feel somebody?
Just wanna hold someone
To fill that empty space
When you're missing that rush
And a friend's not enough
I just can't deal
No, tonight I just don't wanna be alone
Tell me, is that so wrong?
Is that so wrong?
Is that so bad?
Am I only the one who feels like that?
Is it so much, to just want love

To just want love?
Doesn't everybody
Just want to feel somebody?
Just wanna hold someone
To fill that empty space
When you're missing that rush
And a friend's not enough
I just can't deal
No, tonight I just don't wanna be alone
Tell me, is that so wrong?
It can't be that wrong
