Don't Conform

The Varukers

It's up to us if we dye our hair.
It's up to us what clothes we wear.
We're suppose to live in a democracy.
Well then listen it's up to me.Don't conform
Don't conformWe don't wanna be like you.
I don't wanna look like you.
We're suppose to live in a democracy.
Well then listen it's up to me
