It's Not So Hard

Sparklehorse

to wake
not swallowed by willows
half eaten by widows
a new days begunsmile
cos nothing here matters
the spiders get fatter
explode into the sunoh cmon cmon cmon cmon
its not so hard
oh cmon cmon cmon cmon
its not so hard
its not so hard
its not so hardto trap
the dead dogs of summer
assaulting your slumber
stay drunk evermorerise
your jewellery will scatter
on deserts and saturns
the rings are on fireoh cmon cmon cmon cmon
its not so hard
cmon cmon cmon cmon
its not so hard
oh cmon cmon cmon cmon
its not so hard
cmon cmon cmon cmon
its not so hardits not so hard
its not so hard
its not so hard
