

# Tell Me When To Go

## E-40

Tell me when to go, tell me when to go  
Tell me when to go, tell me when to go  
Go, dumb, go, dumb, go, dumb, go, dumb  
Go, dumb, go, dumb, go, dumb, go, dumb  
Tell me when to go, tell me when to go  
Tell me when to go, tell me when to go  
Go, dumb, go, dumb, go, dumb, go, dumb  
Go, dumb, go, dumb, go, dumb, go, dumb  
Ooh Jesus Christ had dreads, so shake 'em  
I ain't got none, but I'm planning on growing some  
Imagine all the Hebrews going dumb  
Dancing on top of chariots and turning tight ones  
Ooh, tell me when to go  
(Dumb)  
Talking on my ghettro on my way to the store  
My 2nd or 3rd trip  
Some Henne, some Swishers and some Listerine Strips  
Dr. Greenthumb lift just to ease my thoughts  
Not just the cops, but the homies you gotta watch  
The moon is full, look at the dark clouds  
Sitting in my scraper, watching Oakland goin' wild, tadow  
I don't bump mainstream, I knock underground  
All that other sh\*\*, sugar-coated and watered down  
I'm from the Bay where we hyphy and go dumb  
From the soil where them rappers be getting they lingo from  
Tell me when to go, tell me when to go  
Tell me when to go, tell me when to go  
Go, dumb, go, dumb, go, dumb, go, dumb  
Go, dumb, go, dumb, go, dumb, go, dumb  
Tell me when to go, tell me when to go  
Tell me when to go, tell me when to go  
Go, dumb, go, dumb, go, dumb, go, dumb  
Go, dumb, go, dumb, go, dumb, go, dumb  
I'm off that 18 purple juice  
\*\*\*\*\* like a mayne, labeled the Black Zeus  
King of the super dooper hyphy hyphy hyphy  
Hyphy and you wifey, you don't like me, like me, like me  
From the Bay to the A  
Put me in the back wood, swisher sweet bud

It's dope, it's just some sh\*\* I wrote  
I said you couldn't be saved by John the Pope  
I slid past on the gas, \*\*\*\*\* looking at me  
It's good, it's good like the granddaddy  
Cross game, you get flipped like a burger patty  
Or zig-zagged, pass me the big old fatty  
I drink white with a snow bunny  
Talkin' big sh\*\* in a scraper going hella dumb

1800 Jose Cuervo

[Incomprehensible] y'all kna' I'm saying though?  
Tell me when to go, tell me when to go

Tell me when to go, tell me when to go  
Go, dumb, go, dumb, go, dumb, go, dumb  
Go, dumb, go, dumb, go, dumb, go, dumb  
Tell me when to go, tell me when to go  
Tell me when to go, tell me when to go  
Go, dumb, go, dumb, go, dumb, go, dumb  
Go, dumb, go, dumb, go, dumb, go, dumb  
Ooh, now let me direct traffic for a minute  
(Talk to 'em)

Let me tell y'all about this hyphy movement we got going in the Bay  
When I say somethin' you say it right back at me  
You smell me? We gon' do it like this here  
Ooh

Ghost-ride the whip, ghost-ride the whip  
Ghost-ride the whip, ghost-ride the whip  
Now scrape, scrape  
Scrape, scrape  
Scrape, scrape  
Scrape, scrape

Put your stunna shades on, put your stunna shades on  
Put your stunna shades on, put your stunna shades on  
Now gas, brake, dip, dip  
Gas, brake, dip, dip

Shake them dreads, shake them dreads  
Shake them dreads, shake them dreads

Let me see you show your grills, let me see you show your grills  
Let me see you show your grills, let me see you show your grills  
Now thizz-face, thizz-face

Thizz-face, thizz-face  
Doors open, mayn, doors open, mayn  
Doors open, mayn, doors open, mayn  
Now watch 'em swang, watch 'em swang  
Now watch 'em swang, watch 'em swang

Go stupid  
(Go, dumb, go, dumb)

Go stupid  
(Go, dumb, go, dumb)

Tell me when to go, tell me when to go  
Tell me when to go, tell me when to go  
Go, dumb, go, dumb, go, dumb, go, dumb  
Go, dumb, go, dumb, go, dumb, go, dumb

Ooh

Tell me when to go, tell me when to go  
Tell me when to go, tell me when to go  
Go, dumb, go, dumb, go, dumb, go, dumb  
Go, dumb, go, dumb, go, dumb, go, dumb

Ooh

Go, dumb, go, dumb, go, dumb, go, dumb  
Go, dumb, go, dumb, go, dumb, go, dumb, go  
Go, dumb, go, dumb, go, dumb, go, dumb  
Go, dumb, go, dumb, go, dumb, go, dumb, go
