## Fugazi

on the morning of the first eviction  
they carried out the wishes of the landlord and his son  
furniture's out on the sidewalk next to the family  
that little piggie went to market,  
so they're kicking out everyone talking about process and dismissal  
forced removal of the people on the corner  
shelter and location  
everybody wants somewhere the elected are such willing partners  
look who's buying all their tickets to the game  
development wants, development gets its official  
development wants this neighborhood gone  
so the city just wants the same talking about process and dismissal  
forced removal of the people on the corner  
shelter and location  
everybody wants somewhere  
everybody wants somewhere
