# Imminent War

## Living Sacrifice

Unleashed chosen
Unleashed nationWar unleashed, middle east
Lines are drawn in the sand
2002 chaos reigns
In this sacred landTarget Israel forgotten sequel
Wars from the past
Why the hatred of these people
Is coexistence futile?Unleashed, unleashedNo such thing as coexist
No such thing as peace process
Exterminate, proclaim your jihad
Destroy the infidel, dig your own graveChosen nation prophesied
The prosperous, the hated ones
The hand of God
Jerusalem will resurrectRight to exist
Right to existChosen nation, chosen nation
Not forsaken, not forsaken
Right to exist, resurrect
Right to exist, resurrect
Unleashed, unleashedUnleashed
