

Disease

Matchbox Twenty

Feels like you made a mistake
You made somebody's heart break
But now I have to let you pay
I have to let you go You left a stain
On every one of my good days
But I am stronger than you know
I have to let you go No one's ever turned you over
No one's tried
To ever let you down
Beautiful girl...bless your heart I got a disease
Deep inside me
Makes me feel uneasy baby
I can't live without you, tell me
What am I s'posed to do about it
Keep your distance from me
Don't pay no attention to me
I got a disease Feels like you're making a mess
You're hell on wheels in a black dress
You drove me to the fire
And left me there to burn Every little thing you do is tragic
All my life before was magic
Beautiful girl...I can't breathe I got a disease
Deep inside me
Makes me
Feel uneasy
I can't live without you, tell me
What am I s'posed to do about it
Keep your distance from me
Don't pay no attention to me
I got a disease Well I think that I'm sick
But leave me be
While my world is coming down on me
You taste like honey, honey
Tell me can I be your honey
Be, be strong
Keep telling myself
That it won't take long 'till
I'm free of my disease Yeah I'm free of my disease
Free of my disease

Ohhhhhhhhh Well I got a disease
Deep inside me
Makes me feel uneasy
I can't live without you, tell me
What am I s'posed to do about it
Keep your distance from me
Don't pay no attention to me
I got a disease Ah well I think that I'm sick
But leave me be
While my world is coming down on me
You taste like honey, honey
Tell me can I be your honey
Be, be strong
Keep telling myself
That it won't take long 'til
I'm free of my disease Yeah I'm free of my disease
Set me free of my disease
Oh yeah yeah
