

Boot Hill

Stevie Ray Vaughan & Double Trouble

Look up on the wall baby...
Hand me down my shootin' iron
Look up on the wall baby...
Hand me down my shootin' iron
Call your mother long distance...
Tell her to expect your body home If the city don't bury you baby...
Lord knows the county will
If the city don't bury you baby...
Lord knows the county will
You made your last mistake...
You going way out on that boot hill
Lord I don't want to whacks you darlin'...
'Cause you gave me my first thrill
Lord I don't want to whacks you baby...
'Cause you gave me my first thrill
You did me so wrong...
You're going way out on that boot hill
