

# Humanity

ATB

I've been swallowed by your kindness  
Every part of me is breaking down  
You have let me feel so helpless  
As if I couldn't drown It was all with love  
You understood the need in me  
So much tenderness  
You wrapped in humanity You touched my soul  
My very being  
You made me whole  
Now life has new meaning  
Gotta a second chance  
You can see the change in me  
And as we dance  
You wrap me in humanity Others walked on by in their blindness  
But you refused to let me be  
My disguise you saw behind this  
You pushed on in and set me free And it was in protection  
You held on with such certainty  
Embraced by your affection  
As you wrapped me in humanity You touched my soul  
My very being  
You made me whole  
Now life has new meaning  
Gotta a second chance  
You can see the change in me  
And as we dance  
You wrap me in humanity
