

Lookin' Out for #1

Death By Stereo

the waters choppy, but it doesn't cut me now. 'cause I ain't sinkin', no I ain't goin' down below. I don't think that way you know I never have. I can't slow down now just because you lag. You're always pulling, keep on trying. Keep on trying to bring me down. I'm going to show you that I don't like to fuck around. You show your face and I'll look the other way. You blink your eyes and you've got no friends to play. Pick up the slack, no. I won't carry your monkey on my back. Save the world, no. Got no time, I've got to save myself today. I've got a mission to fulfill the things in life. I've got a lot of things to see before I live to die. All this negativity tries to bring me down. As you get worse, I turn my life around.
