

# In Binary

## Lamb

Hearing sounds  
In open doors  
Brings a heart-shaped smile  
Many lives  
Just tiny dots  
On earth's great surface shine  
It's all here just a moment  
One breath and then it's gone  
It's all here just a moment  
A trick of space and time  
Telegraphs  
Along the road  
Feeding one to one  
Sending thoughts  
In binary  
Til all the power's gone  
It's all here just a moment  
One breath and then it's gone  
It's all here just a moment  
A trick of space and time
