## BZN

Thou dawdl'd not bringing me fro Aether to Nether,  
Still, duryngly cling I on to this heather -  
Dew-scented blossom: thou wast pristine,  
The sweven of thee ne'er will I cede, my colleen.

    Drat this creature of memories ill,  
    Foolhardy and fey I may be, yet him I shall quell.

    'Vaunt! - Devil tyne -

    Wadst thou wane fore'ermae;

    Daunt - sinsyne thence,

    Ta'en as a dint, Angelique?

Perforce and grinningly shall I maim in the vie -  
    Alas bastard! - hanging by the noose die.

    'Vaunt! - Devil tyne -

    Wadst thou wane fore'ermae;

    Daunt - sinsyne thence,

    Ta'en as a dint, Angelique?

    'Come not wont to this uncouth Devil!,  
    Lest to a Devil thou wilt translate...my Angel.

    'Vaunt! - Devil tyne -

    Wadst thou wane fore'ermae;

    Daunt - sinsyne thence,

    Ta'en as a dint, Angelique?
