It's Not Over

Blue Collar Convicts

I self destruct every relationship
so that I dont get hurt
but the truth is I just hurt myself worse
I wasnt ready t admit I needed help with this
Was living in denial wasnt ready t face the truth now all I can say to you is I wish
I wish I wish that I could take it all back I want it all back cuz this cant be it my love I need another chance with this just help me
It s not over,
its not over,
its not over,
its not over,
its not over,
its not over,
im giving up n hope cuz no matter what I do I cant erase you I still need you in me
wanna put all my faith in love
let it start with us
fix whatevers broken so that we can start a new
now all I have left is you thats why I wish I wish
I wish I wish that I could take it all back I want it all back cuz this cant be it my love I need another chance with this just help me

It s not over,
its not over,
its not over,
its not over,
its not over,
its not over,
im sorry if I ever hurt you
just tell me what you want me to do,
I aint never thought the day would come
When you would up and walk right out the door
And if we ever get it back youll see
That theres no other place you should beyeah
Can we get us back I just want us back yeah yeah yeah
I wish I wish that I could take it all back I want it all back cuz this cant be it my love I need another chance with this just help me
It s not over,
its not over,
its not over,

its not over,
its not over,
its not over,
