

# Be Here

## Duke Dumont

Can't believe you're here with me  
Ain't no soul could ever compete  
Baby, baby  
I will wait forever, oh  
Nothing compares to the things that you do  
I wanna be with you  
Oh darling, oh darling  
Oh darling, be here with me Be here with me  
Be here with me  
Be here with me Be here with me  
I will worship everyday  
By your side I always will stay  
Baby, baby  
I'll be here forever, oh no  
Nothing compares to spiritual high  
Make me feel fine  
Oh darling, oh darling  
Oh darling, be here with me Be here with me  
Be here with me  
Be here with me Be here with me Be here with me  
Be here with me  
Be here with me Be here, be here  
Be here with me  
(Be here with me)  
Be here with me Be here with me  
Be here with me  
Be here with me  
Be here with me  
Be here with me
