

Clyde

Alyssa Reid

Just ride with me baby, oh weâ€™re speeding on it
This fine with you maybe, we can leave all we got
Okay honey listen donâ€™t cry, Iâ€™ll be the Bonnie and youâ€™ll be Clyde
Get the money, donâ€™t waste no time, got the gat and Iâ€™m clean
He got me in a dangerous state, he got
high like 808
He me on that foul play, roll with us you wonâ€™t know your fate
Ainâ€™t got no problems so he come to a stop
We came from the bottom but we live at the top
Hush now
I can hear them calling
Baby weâ€™ll love even when we lose it all
Iâ€™ll be the bullet in your gun, we can go the hard way
Killers on the run, Iâ€™m gon do it all the way
Said uuuh eh eh eh eh eh
Uuuh eh eh eh eh eh
Bullet in your gun, we can do it all the way
If we ainâ€™t gotta stop then baby you know the drill
I got a job and boy you know that I will
Hey honey, itâ€™s all for you
You give me love so thatâ€™s what it do
But get it in and youâ€™ll get that bill, weâ€™re sittin on that mill
He got me in a dangerous state, he got m
like 808
He me on that foul play, roll with us you wonâ€™t know your fate
Ainâ€™t got no problems so he come to a stop
We came from the bottom but we live at the top
Hush now
I can hear them calling
Baby weâ€™ll love even when we lose it all
Iâ€™ll be the bullet in your gun, we can go the hard way
Killers on the run, Iâ€™m gon do it all the way
Said uuuh eh eh eh eh eh
Uuuh eh eh eh eh eh
Bullet in your gun, we can do it all the way
Hush now for a little while
Baby weâ€™ll love, youâ€™re all that Iâ€™ve got
Iâ€™ll be the bullet in your gun, we can
Killers on the run, Iâ€™m gon do it all the way
Said uuuh eh eh eh eh eh
Uuuh eh eh eh eh eh
Bullet in your gun, we can do it all the way
Iâ€™ll be the bullet in your gun
Iâ€™ll be the bullet in your gun
