

# Popcorn Love

## BBQ CHICKENS

Dont you know, dont you know, dont you know  
Its the real thing, girl?They say, "Its popcorn love"  
But its more than that to me  
Popcorn love, just wait they will see  
Its popcorn love, every morning, noon and night  
Popcorn loveDont you know, dont you know  
Its the real thing, girl?When we go on our special dates  
Were always holding hands  
And were never ever late

Youre on my mind all the timeI keep thinking, thinking, I keep thinkingPopcorn love, but its more than that to me

Popcorn love, just wait, they will see  
Popcorn love, every morning, noon and night  
Popcorn loveDont you know, dont you know  
Its the real thing, girlI go to school and then I come straight home  
The first thing that I do is call you on the phone  
The things you say, uh, really make my day  
I need you, girl, in every kind of wayI keep thinking, Im just thinking  
I keep thinking, thinking, thinking  
Thinking, thinkingThats right, thats right  
Thats right, thats rightAh, P is for her personality  
I said the O is for originality

And the other P is for the perfect love she gives to meThe C is just cause she loves me  
And the O means shes the only love I got

And the R and the N, our love will never endWell, I know, I know its the real thing  
Because she told me so

And I know, I know its the real thing

And Ill never let her goI just got to, I just got to have your lovePopcorn love, but its more than that to me  
Popcorn love, just wait, they will see  
Its popcorn love, every morning, noon and night  
Popcorn lovePopcorn love, its more than that to me  
Popcorn love, just wait, they will see  
Popcorn love, every morning, noon and night  
Popcorn love  
Popcorn love but its more than that to me  
Popcorn love
