This Is Where I Belong

Ray Davies

There's no place that I would rather be
The whole wide world doesn't mean so much to me
For this is where I belong
Oh, this is where I belongTell me now if you want me here to stay?
It don't matter 'cause I'd stay here anyway
For this is where I belong
Oh, this is where I belongI ain't gonna wander
Like the boy I used to know
He's a real unlucky fella
And he's got no place to goHow does it go?
This is where I belong, oh yeahI won't search for a house upon a hill, no, no, no
Why should I when I'd only miss you still?
For this is where I belong
Oh, this is where I belong
This is where I belong
