Don't Let Her Know (Mono)

Buck Owens

Lips make a smile on my face eyes don't let her see you shed a tear
Heart don't let her hear you skip a beat
And pride don't let her know how much I care
Don't let her know don't let her know how much I care
[steel]
Laugh dance and sing so she won't notice the hurt that's still burning deep inside
And don't let her see the way I tremble don't let her know how much I cried
Don't let her know don't let her know how much I've cried
