

Don't Let Her Know (Mono)

Buck Owens

Lips make a smile on my face eyes don't let her see you shed a tear

Heart don't let her hear you skip a beat

And pride don't let her know how much I care

Don't let her know don't let her know how much I care

[steel]

Laugh dance and sing so she won't notice the hurt that's still burning deep inside

And don't let her see the way I tremble don't let her know how much I cried

Don't let her know don't let her know how much I've cried
